PENELOPE - Needs Your Help

PENELOPE

My name is Penelope. I am four years old. I am speyed, vaccinated, microchipped and wormed.

I am very pretty.

I would love a forever home. I am house trained and non destructive.

I am very pretty.

I am reasonable on a lead, and reasonable (for a bloodhound) off lead. I would probably be a thief with food. Not too keen on cars but good once I'm in.

I am very pretty.

I love toys and treats and cuddles.

Did I mention that I'm very pretty?

Penelope is looking for the right home. She is a little lacking in confidence and is initially wary of dogs bigger than her until she gets to know them but she is very friendly. She loves people and is very affectionate and would love a home where she would get lots of cuddles and the chance to build her confidence up. Not cat friendly but good with respectful children. Her temperament is a delight.
